OF  
THE COLONIAL DAMES OF THE STATE OF NEW  
YORK WHICH IS THE CONSTITUTION OF  
THE NATIONAL SOCIETY

AS AMENDED BY THE COUNCIL OF 1910

---

PREAMBLE

*Whereas*, History shows that the remembrance of a nation's glory in the past stimulates to national greatness in the future, and that successive generations are awakened to truer patriotism and aroused to nobler endeavor by the contemplation of the heroic deeds of their forefathers: therefore the Society of Colonial Dames of America has been formed, that the descendants of those men who in the Colonial period by their rectitude, courage, and self-denial prepared the way for success in that struggle which gained for the country its liberty and constitution, may associate themselves together to do honor to the virtues of their forefathers, and to encourage in all who come under their influence, true patriotism, built on a knowledge of the self-sacrifice and heroism of those men of the colonies who laid the foundation of this great nation.

ARTICLE I

TITLE

*Name and Organization.*—This Society shall be known by the name, style, and title of the National Society of the Colonial Dames of America, and shall be composed of Corporate Societies of which there are: the Societies of the Thirteen Colonial States, or the Ancestral Societies; the Society of the District of Columbia, or the Domicile or Charter Society; and the Societies of the Non-Colonial States, or the Associate Societies.

Every member of every State Society shall be a Dame of one of the Thirteen Ancestral Societies.

## ARTICLE II

### OBJECTS

The objects of this Society shall be to collect and preserve manuscripts, traditions, relics, and mementos of by-gone days, to preserve and restore buildings connected with the early history of our country, to diffuse healthful and intelligent information concerning the past, to create a popular interest in our Colonial history, to stimulate a spirit of true patriotism and a genuine love of country, and to impress upon the young the sacred obligation of honoring the memory of those heroic ancestors whose ability, valor, sufferings, and achievements are beyond all praise.

## ARTICLE III

### ELIGIBILITY OF MEMBERS

1. *Membership.*—The Corporate Societies shall be composed entirely of women who are descended in their own right from some ancestor of worthy life who came to reside in an American colony prior to 1750, which ancestor or some one of his descendants, being a lineal ascendant of the applicant, shall have rendered efficient service to his country during the Colonial period, either in the founding of a commonwealth, or of an institution which has survived and developed into importance, or who shall have held an important position in a Colonial government, or who, by distinguished services, shall have contributed to the founding of this great and powerful nation.

2. *Date of Ancestor's Services.*—All services which constitute a claim to membership must have been rendered before July 5, 1776, but this date shall be held to include all the signers of the Declaration of Independence.

#### DECEASE OF MEMBERS.

*Section XVIII.*—The Membership of any person in this Society shall be determined by her decease.

Upon the decease of any member, notice thereof shall be given at the next succeeding General Meeting of the Society, and at each Annual Meeting the names of those who have died during the year shall be entered in full on the Minutes of the meeting by the Recording Secretary.

#### EXPULSION AND SUSPENSION

*Section XIX.*—The Board of Managers shall have the power to expel any enrolled member of this Society, provided that such member shall have received at least ten days' notice in writing of the charge preferred against her, and of the time and place of hearing, that she may have an opportunity to be heard in her own favor. When the cause of expulsion shall not have involved moral unworthiness, the member expelled may be restored by the Society to membership, upon the unanimous vote of the Board of Managers and at any meeting of the Society.

Should any member of the Society become two years in arrears in payment of her dues, the Board of Managers shall have power to drop her name from the roll, after she has failed to answer a notice to this effect. Upon her application to the Board of Man-

An officer may for cause be suspended from the performance of her duties, by the Board of Managers, which proceeding must be reported to the Society and acted upon by it within thirty days, or the suspension shall cease. When an officer is thus removed by the Society, the Board of Managers shall fill the vacancy for the unexpired term.

Special Meetings of the Society shall be held by direction of the Board of Managers or upon the written request of not less than fifteen members of the Society, at such time and place as the Board may direct. At such Special Meeting no business shall be transacted except such as shall be specified in the notice thereof.

At least one week's notice shall be given of time and place of Annual or Special Meeting, by mailing notice to every member of the Society, the postage on every such notice to be duly prepaid.

The business of the Annual Meeting shall be limited, any unfinished business to be postponed to a subsequent Special Meeting. Twenty-five members shall constitute a quorum.

# REGISTER OF ANCESTORS

The services herein credited to each ascendant, are as a rule eligible services only. In exceptional cases, however, where distinguished services were rendered at a date too late to be accepted under the rules of the State in which the ancestor lived, these services have nevertheless been added. This was done to render each record more complete, and to avoid the manifest injustice of printing insignificant achievements only, where later services of great importance stand to the ascendant's credit.

To eligible services have also in particular cases been added, other services of equal grade, even where the period of such service was too short to comply with the rules of the Eligibility Lists.

In compiling the Register the greatest care has been taken to avoid mistakes, but in a work of this kind it is impossible to eliminate all inaccuracies; for such as may later be discovered the Committee beg the lenient judgment of the members, hoping they will consider the difficulties of the undertaking. It is important, however, that any mistakes or omissions in the present book shall be corrected in future publications, and in the permanent records of the Society. It is therefore requested that any member who may notice such errors will promptly report them in writing to

THE CHAIRMAN OF THE COMMITTEE ON  
PUBLICATION OF REGISTER,

105 West 40 Street.
